Help Support the Kaleidoscope Garden!

\$2 Donation/Person Requested

Reduced admission at Kingman Museum offered to Saturday Event Participants

June 3rd: Kaleidoscope Garden Grand Opening

Join us to debut our New Name: The Kaleidoscope Garden. Open for ALL ages to enjoy!

June 10th and 14th: Discovering Dinosaurs

Join us in the Garden to take a closer look at fossils of dinosaurs big and small. See if you have what it takes to discover dinosaurs! *(Saturday LIVE animal presentation)*

June 24th and 28th: Art in the Garden

Explore Art and Nature in the Garden! Make a few masterpieces to take home!

July 1st: Mud Fest

Feel mud squish between your toes, make mud pies, and celebrate International Mud Day (June 29th) on Saturday. Dress to get dirty and plan to rinse off in our sprinklers!

July 8th and 12th: Garden Critters

Find and identify the little garden critters that have homes in the Kaleidoscope Garden. *(Saturday LIVE animal presentation)*

July 15th: Pets in the Garden

Bring your family pet and explore the garden through the eyes of your favorite animal.

July 22nd and 26th: Flying Things

Insects, seeds, birds, and balloons... Explore the things that fly in Battle Creek! Make a Kite of your own to take home and fly all summer long! *(Saturday LIVE animal Presentation)*

August 5th and 9th: Soakin' and Splashin' in the Garden

Beat the Heat this summer with a little water Fun in the Kaleidoscope Garden. Wear your swimsuit to play in the sprinklers and learn who needs water in the Garden!

August 12th and 16th: The Enchanted Garden

Dress up to enter the Enchanted Kaleidoscope Garden for a day full of gnomes, fairies, and garden Magic! *(Special visit from the Shari Rarick School of Dance on Saturday)*

August 19th and 23rd: Butterfly Day

Learn about butterfly life cycles, the fascinating migration routes of some butterflies and which flowers you should plant to attract butterflies. *(Saturday LIVE animal presentation)*

August 26th and 30th: Mad Hatter Tea party

Join us and share your favorite Garden Themed Stories. Together we'll explore the world of Peter Rabbit, Jack and the Beanstalk, and ask Mary: "How does your garden grow?"

September 23rd: Scarecrows and Pumpkins

This is the time of year for harvesting! Make your very own scarecrow and take home a pumpkin as we learn about the fall harvest! ***This is also a FREE DAY at Kingman Museum!***

October 28th: Making A Difference At Spooky Science Saturday 11am-3pm

Join us in the Kaleidoscope Garden and at Kingman Museum for a day filled with science experiments, free things to take home, and fun for the whole family! *(Call for more details)*

The Kaleidoscope Garden is open Weekdays: May-October

Saturdays: June-September!
